ROYALTY RESIDUALS- BINARY

Arieyl offers a fast paced, aggressive binary plan that has a high monthly earning potential. Binary commissions are based on QV generated from VIP customers' and Rockstars' purchases who have purchased before (reorders).

To determine binary commissions, Arieyl will pay up to 20% of the GV on the lesser leg each month. Once commissions are paid, any unused volume is carried over to the following month as long as the Rockstar has PV.

How to qualify: Rockstars must have:

- A. At least 35PV for Rockstar, 50PV for Gold and 90PV for Platinum and higher ranks.
- B. At least 90QV personally enrolled in each leg.
- C. At least 200 Left Volume (LV) and 200 Right Volume (RV).

Payout: Rockstar Residuals Commissions are paid on the first Friday of every month for the previous month's orders. Unless the first Friday falls on the 1st, then they will be paid the following Friday.
